

REMARKS

Restriction Requirement

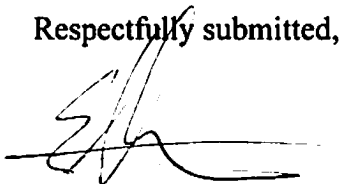

The Examiner has required restriction to one of the following inventions under 35 U.S.C. § 121:

Group I. Claims 5, 45-63, and 87-103, drawn to a communication system between drivers and a multi-channel, multi-media, communication queuing system using a command definition, classified in class 719, subclass.

Group II. Claims 104-105, drawn to a communication system between a driver and multiple devices using agents, classified in class 709, subclass 202.

In response to the Examiner's restriction requirement, the applicants hereby elect, without traverse, to prosecute **Group I, claims 5, 45-63, and 87-103**, drawn to a communication system between drivers and a multi-channel, multi-media, communication queuing system using a command definition, classified in class 719, subclass.

Respectfully submitted,
